

# 24h

A cell phone audio tour offers further insight into the works in this exhibition and issues that pertain to bringing them into the museum's permanent collection. Dial **415.294.3609** and follow the prompts to hear commentary by curator Henry Urbach and others involved in building the collection. **Objects that are included on the tour are numbered in red. To learn more about a specific object, enter its corresponding number followed by the # key.** The tour begins with Urbach's reflections on the exhibition concept (dial **00#**), followed by assistant curator Joseph Becker's comments on the exhibition design (**000#**).
